DESIGN NOTES:

When KU Endowment wanted to place an advertisement in a local fine arts journal, they turned to Buster Designs to create a context-appropriate design.

And the end of all our exploring
What we call the beginning is often the end
And to make and end is to make a beginning.
Will be to arrive where we started
And know the place for the first time.
We shall not cease from exploration
And the end of all our exploring
Will be to arrive where we started
And know the place for the first time.
We shall not cease from exploration
And the end of all our exploring
Will be to arrive where we started
And know the place for the first time.
We shall not cease from exploration
And the end of all our exploring
Will be to arrive where we started
And know the place for the first time.
